

## LHS Fightin' Titan Band Band Camp Fruit Break!

Hello Titan Band Parents!!!

Band camp is coming up soon. The full band will participate in camp the last 2 weeks in July.

We are asking all **freshmen and seniors** to donate powdered gatorade or powerade for camp. Please bring the gatorade/powerade on or before the 1<sup>st</sup> day of camp. **Sophomores** are asked to donate Sprite 12oz cans, and **Juniors** are asked to donate bottled water. Sprite and water can be brought to the band room any time before the first football game.

**Camp days** are the following 8 days, from 7:00 am till noon:

**M-Th, 7/20 - 7/23** and

**M-Th, 7/27 - 7/30**

During these hours, the kids will be outside on the field marching. There will be several water/gatorade breaks during the day but also during their 10:00-10:30 break, the band boosters serves fruit to the students. The kids really love this treat and its refreshing for them.

In order to make this a success, **we need donations of fruit** (apples, oranges, grapes, bananas, cantaloupe, pineapple, Strawberries, watermelon, blueberries, etc.) and also supplies.

We will cut apples and bananas prior to serving time but we ask that the other fruit be washed and cut prior to being dropped off at school. Grapes should be removed from the bunch, strawberries hulled, etc. If you have a container that needs to be returned to you, please label container with your name, or you can send it in ziploc bags.

**We need parent volunteers from 9:15 to about 11:00 to help serve the fruit from about. At least 3 parents per day.**

### **Your duties:**

-Arrive at bandroom by **9:15** (45 minutes ahead)

-Pick up concession stand keys & fruit that was dropped off that morning from the band room. Drive around the left side of the stadium to the rear of the home concession stand. Fruit is prepared and served from the concession stand.

-Cut apples and bananas. Put all fruit in bowls and aluminum pans.

-Open the front window facing the stands and set the fruit out on the counter. Band will break and fruit is served from 10:00 to 10:30. We serve the kids in lieu of them helping themselves.

-Any leftover fruit is stored in the refrigerator in the concession stand till the next day.

-Wash any containers that need to be returned to parents. Clean counters and put trash can outside.

-Lock up and return keys and any empty containers that are labeled with a name to the band room.

-Serving utensils and bowls not labeled stay in the concession stand. You will probably be done by **11:00**.

### **We also need donations of the following supplies:**

Small foil trays

Hand sanitizer

Paper towels

If you can help with the fruit, serving, or supplies, please reply to **Bonnie Halstead, [bonnie.halstead@stpsb.org](mailto:bonnie.halstead@stpsb.org)**, with the following information:

What fruit you can send on what day

What days you can help serve

(Reminder, freshman have marching fundamentals camp the the week before, but we only do the fruit for the full band camp.)

**This is a great treat for the kids but this can't be done without the help of our parents.**

Thanks in advance for your help and support. Any questions, please don't hesitate to contact Bonnie, myself or any board member. Don't forget to check the website often for updates.
