From The Top: Band Director's Corner

As a new season for the Lakeshore Fightin' Titan Band is quickly approaching, I am filled with excitement and enthusiasm. I hope that you all share the same passion and eagerness for the many experiences we will share over this school year. As we know, high school band moves much more quickly, perform more often, and develop a deep bond between students, director, and boosters. It is my goal that we do our very best to show our support and spirit at each event we are present. Physically and musically demanding performances, both on and off campus, for members of our Lakeshore High School Community, family, friends, and neighboring schools will highlight this year's marching season. We will also compete in one to two marching competitions to evaluate how far we have come as a marching organization. Please remember that daily practice is the key to building individual musicianship and that individual musicianship is the basis for a great band program.

I look forward to the bright future of the Lakeshore High School Fightin' Titan Band.

Director of Bands
Ms. Jessica Lizana

Starlites Color Guard

Fightin Titan Starlites would like to extend a big welcome to **Kelly Otilio**. Kelly is our 2015-16 Starlites Colorguard choreographer. She is motivating and teaching the girls new material every day and doing an awesome job. We are excited to have you on our team! On the field this year, working hard, having fun and looking forward to performing some great routines will be our returning Starlites, Frannie Reyes and Gillian Smith (Co-Captains). And also, our new Starlites, Hailey Benenati, HollyAnn Brady, Sadie Briggs and Simone Burkhamer. Welcome aboard.

Committees

We have many committees to keep our band running, and growing! We need your time and talent. Please consider signing up for a committee, if you have not done so. Additional sign-up sheets will be available at the parent performance. Check the website for committee descriptions.

Concessions – concession committee will meet in August, time to be announced. We need many volunteers to work the concessions at the games – this is our biggest booster fundraiser.

Fundraising – this committee needs more members. Please consider joining. This committee will also meet in August.

Chaperones – this committee assists the band at football games, and members travels on the bus to away games. Also, parents with trucks are needed to rotate pulling the trailer for away games and in parades.

Sponsor Highlight

A huge **thank you** to one of our Titanium level sponsors – Gibbs Construction. Gibbs is donating a storage shed to the band, for storage of our hamburger grill, drum major stands, ice chests, and other outdoor equipment. The shed will be installed as soon as it is approved by the school board. We are extremely grateful for their generosity.

Equipment Committee / Dads

The equipment committee and dads have been working hard on various projects over the summer. They are building shelves in the trailers, installing the new stereo/sound system in the bandroom (purchased by the boosters) and building new percussion carts. As soon as the donated shed is installed it will need to be painted and a ramp built. If you would like to help with this or other projects, email the boosters.

Communication – Keep in Touch

Booser board general email: **titanbandbooster@gmail.com**. Please don't "reply all" to our email unless it really needs to go to every parent and student in the band!!

Check the website often for updates. **www.lhstitanband.com**. The website calendar can be downloaded to your phone, if compatible.

Please remember when sending in money or forms, to put the following info on the outside of the envelope:

* What it is for (ex Zephyrs, Fees, Trailer Sponsor, etc.)

* Student's Name

* Amount

* All checks should be payable to **Titan Band Boosters**

All envelopes should be put in the box in the bandroom, or you can mail to the Boosters at P.O. BOX 8738 MANDEVILLE, LA 70470
